**Liveable Lifestyles™** and **Skirt! Magazine** will present the "Single in the City" reading lounge at the 2008 Spring Atlanta Home Show, March 13-16 at the Georgia World Congress Center.

Come relax in our plush "living room," and experience one of 14 **Liveable Lifestyles™** fully-furnished decorating packages. Our booth, **#253**, is strategically located next to the Wine South & Thompson Wine Group wine tasting kiosk and the Cooking Corner stage. So sample some wines, grab a plate of goodies and then take it all in from one of our comfy sofas.

**Liveable Lifestyles™** is a new brand of fully-furnished residence packages created by renowned interior designer Jim Weinberg. Home buyers choose one of 14 styles, then select a color palette, and Liveable Lifestyles installs your fully-furnished home (including sheets, plates and accessories) in 30 days or less.
